

Parent and Keystoner BYOD Policy Permission Form

If you would like your child to use a personally-owned electronic device within the Boys & Girls Club of [**NAME**], please read, sign and submit this agreement to Club staff.

1. In order to use the Boys & Girls Club BYOD services (including the wireless network), members and parents must review and sign the BYOD Acceptable Use Policy. This is considered a legally binding agreement.
2. Members will take full responsibility for their devices and keep them with them at all times. Members may not lend their devices to any other Club member or staff. The Club is not responsible for the security of the devices or loss/damage/theft of a personally owned device.
3. Members are responsible for the proper care of their personal devices, including any costs of repair, replacement or any modifications needed to use them at the Club.
4. Members should only use their devices to access services, networks or files relevant to Club-sanctioned programs. Members should only use the features of their devices, including, but not limited to, taking or transmitting pictures, videos, location information or other features in accordance with programs.
5. Members may not use their devices to record, transmit or post pictures, videos, or other information of or about a person or persons at the Club. Nor can any images, videos, or other information recorded at the Club be transmitted or posted at any time without the express permission of Club staff.
6. Members must use the Club's secured wireless network. Use of cellular (e.g., 3G, 4G) wireless connections is not allowed.
7. The Club reserves the right to inspect a member's personal device. Parents/guardians will be notified and allowed to be present before any such inspection takes place. Parents/guardians are free to refuse to allow Club staff to inspect a device; however, that member may be barred from bringing personally-owned devices to the Club in the future. This decision will be at the Club's discretion.
8. Members must comply with staff requests to shut down or turn off devices when asked. Failure to do so may result in the member being barred from bringing personal devices in the future.
9. Violations of any Club policies, administrative procedures or Club rules involving a member's personally-owned device may result in the loss of use of the device at the Club and/or disciplinary action.

I, the undersigned, as a member of the Boys & Girls Club of [**NAME**], have reviewed the BYOD Acceptable Use Policy and Guidelines. I understand that any violation of the policy or guidelines may result in revocation of technology privileges and possible further disciplinary action.
